Certified Welding Inspector / Certified Welding Educator

QC1 Standard for the AWS Certification of Welding Inspectors
QC5 AWS Standard for the Certification of Welding Educators
B5.1 Specification for the Qualification of Welding Inspectors

☑ I hereby certify that I have read the standard requirements contained in the certification programs indicated above. Further, I agree to comply with the existing requirements and any subsequent requirements that may be instituted by AWS. I have read and agree to the terms and conditions set forth in the AWS Policies and Fees form. I certify that the information I have included on this application is true. I understand that any false statements will nullify this application. I give AWS permission to verify this information. I agree to comply with the provisions set forth in the Standard concerning the administration of my examination and certification. Upon obtaining my certification, I give AWS the right to reveal my certification status as it relates to my validity and expiration date. I further understand that any required information that is incomplete or missing will cancel this registration.

Furthermore, I certify that I have not obtained any exam materials, have no prior knowledge of the AWS exam questions or answers, and have not and will not accept any solicitation for the AWS exam questions or answers from anyone at any time before, during, or after the exam as stated on the Exam Security Agreement and General Terms of Use (Please click and read this link prior to accepting the Terms and Conditions. You will be required to sign this form on exam day). I understand that a violation of this oath may be grounds for invalidation of my certification and may be grounds for expulsion from any future testing.
